TOURENWAGEN LEGENDEN

VEHICLE-DETAILS

Only for information, please use the german document!

Allgemeine Fahrzeugdaten:

Hersteller Manufacturer	Typ Model	Baujahr Year of Manu-facture	Original / Replika	Weight emty Ready for operation fuel free	Technical Passport No. / valid till 2 years after first and repeated check

In welcher Rennserie und wann wurde das Original bzw. die Vorlage der Replika eingesetzt?
When and in which racing-series was the original or replica raced?

Nach welchem Reglement bzw. nach welcher Homologation wurde das Fahrzeug aufgebaut?
Conform to which specification or homologation form was the car build up?(Homologation-No. or such as STW 1996 according to announcement page 18)
(You can easily find a homologation paper using the following link: https://historicdb.fia.com)

In welche Klasse bei der TWL passt dein Fahrzeug deiner Meinung nach?
In which TWL group do you think your car belongs?

Motorisierung: / Engine:

Engine type (e.g. V 4)	Hubraum Capacity cm³	Leistung Power kW/PS	Nenndrehzahl Rated speed U/min	Gemischaufbereitung Mixture preparation	Motorsteuerung Engine timing

Überrollkäfig: (Eigenbau, homologiert oder zertifiziert)
Roll cage: (self-build, homologated or certified)

Räder/Reifen: (Größe) Wheel/Tire: (size)	Transponder-Nr. wenn eigener Transponder: Transponder number, if you have your own

The following vehicle parts have been changed or parts displaced, that are non-conform due to the above mentioned homologations or specifications.
All groups are limited due to the year of manufacture: please list all parts that have been homologated after the limitation period (if needed please use the reverse side / of an enclosure):

Getriebe: (z. B. sequenziell)
Gearbox: (e.g. sequential)

Fahrwerk: (z. B. einstellbare Dämpfer)
Chassis: (e.g. adjustable damper)

Bremsen: (z. B. Scheibendurchmesser)
Brakes: (e.g. diameter of brakes)

Motor/Motorsteuerung: (z. B. Airbox)
Engine/engine management: (e.g. airbox)

Aerodynamik: (z. B. verstellbarer Flügel)
Aerodynamic: (e.g. adjustable wing)

Karosserie: (z. B. Carbondach, GFK-Türen)
Body: (e.g. carbon roof, fiber-reinforced doors)

Weitere: (z. B. Tacho)
Additional: (e.g. tachometer)

Datum / Name in Druckbuchstaben / Unterschrift:
Date / name in printed letter / signature:

All information's will of course be used confidential and will only be used to place you in the right group of the racing series. The Tourenwagen Legenden GmbH (TWL) reserves the right to check the documented details, for example the performance measurement.
Any changes and reconstructions during the racing season have to be reported to TWL-Technic immediately. With my signature on the registration I confirm all documented informations to be truthfully and correct.
